

Florida Airports DOT O&D Traffic and Fare Summary

Full Year 2017 Versus Full Year 2016

Domestic + International Data

* Based on DOT O&D traffic, PGD ranked as the eleventh largest airport in Florida in 2017 with 1,292,817 O&D passengers and 1,771 passengers per day each way (PDEW).

* PGD overtook SRQ in 2017 to assume the #11 position in the state; PNS (#10) generated 344,947 more O&D passengers in 2017 than PGD.

* Excluding VRB, which had a small base of traffic in 2016, the PGD growth of 15.6% in 2017 was second only to VPS growth at 30.0%. Traffic at the average airport grew 2.3%

* PGD's average one-way fare of \$72 was the second lowest in the state; only PIE had a lower average fare (\$68)

2017 Rank	Airport	Full Year 2016			Full Year 2017			Full Year 2017 vs 2016
