

**REQUEST FOR QUALIFICATIONS (RFQ) NO. 2018-002
NEW GENERAL AVIATION TERMINAL FACILITY
CHARLOTTE COUNTY AIRPORT AUTHORITY**

The Charlotte County Airport Authority (hereinafter, referred to as the Authority) is requesting qualifications from all interested and qualified firms to provide Professional Engineering Consultant Services for the New General Aviation Terminal Facility Project (hereinafter, referred to as the Project).

As a consultant to the Authority, the services provided under this contract will be pursuant to Section 287 Florida Statutes, as amended and the latest version of FAA Advisory Circular 150/5100-14E (Architectural, Engineering, and Planning Consultant Services for Airport Grant Projects).

The Engineering and Architectural services anticipated to be performed under this contract include but are not limited to: Scope of Work Development, Preliminary Activities, Land Surveying, Subsurface Geotechnical Investigation, Design, Regulatory Permitting, Bidding Assistance, Construction Phase Services and Project Closeout Phase.

The project scope of work elements anticipated to be performed under this contract include but are not limited to; Entrance Road off Challenger Blvd., Parking Lot, Terminal Building, Café, Aircraft Apron, Taxi-lanes and Taxiways as conceptually shown on the Airport's Master Plan Airport Layout Plans.

All interested firms are advised that the project will be funded in part by an Airport Improvement Program grant, therefore typical Federal mandatory provisions will apply to the contact. Among these are:

- Affirmative Action
- Buy American
- Civil Rights
- Davis Bacon
- Debarment and Suspension
- Disadvantaged Business Enterprise
- Foreign Trade Restrictions
- Lobbying Federal Employees
- Recovered Materials

A full listing, along with the text of the referenced provisions, is included in the complete Request for Qualifications Package.

RFQ Due Date: August 3, 2018 at 2:00 p.m.
