September 2022

Dear PGD Aviation Partner,

I am pleased to share that the Charlotte County Airport Authority is leading Punta Gorda Airport's United at Work campaign to benefit the United Way of Charlotte County (UWCC). I am requesting your support in our inaugural "Aviation Gives Back" campaign kicking off September 27, 2022. The Airport Authority can't do it alone, so my team is reaching out to our key aviation stakeholders, including corporate tenants, contractors and partners, in hopes of reaching our goal of raising \$20,000 by March 31, 2023.

This is a great way for your company to aid the UWCC's mission of ending the cycle of poverty in Charlotte County, while also showing support for our aviation community and on-airport employees. In turn, UWCC is here to support your employees that may be struggling to meet basic needs and support their own families. You can help by making a meaningful corporate donation that will provide excellent sponsorship benefits.

In addition to recognition that the United Way will provide, we will feature your company's name or logo on our Aviation Gives Back campaign communications if your donation exceeds \$1,500 or more.

We look forward to hearing what level of investment you choose to help us meet our Aviation Gives Back campaign goal. Please contact Kaley Miller, PGD's Director of Marketing & Communications, for more information. Kaley also serves on the Board of UWCC, and can be reached via KMiller@FlyPGD.com or 941-639-1101 x 131.

Sincerely,

A handwritten signature in blue ink, appearing to read "James W. Parish".

James W. Parish, P.E.
CEO, Punta Gorda Airport
Charlotte County Airport Authority
