Dear PGD Aviation Partner,

On behalf of our local United Way staff and Board of Directors, I want to share how excited we are to embark on our first inaugural United at Work campaign with the Charlotte County Airport Authority. The “Aviation Gives Back” campaign gives us an opportunity to educate PGD’s partners about how we serve our community, while sharing with local employers what services are available to their employees in need.

As we begin our 2022-2023 Campaign, it's important to know where your gift goes. Donations support our mission to break the cycle of poverty and work with our Community Collaborations, free tax assistance and Season of Sharing. As a community, we are all mobilizing to help ALICE and will continue to do so.

A.L.I.C.E. (Asset Limited, Income Constrained, Employed) represents those in our community who on a regular basis work paycheck to paycheck. We understand that some of your employees or their families *may* be part of this struggling demographic in Charlotte County, and we are here to assist with resources.

I am hoping you will consider a contribution or sponsorship to help the Airport Authority meet its \$20,000 goal. We have a range of sponsorship opportunities ranging from a \$500 Beaujolais event sponsorship to a \$5,000 Legacy Campaign Sponsorship. We would be happy to customize the offerings based on what makes sense for your company.

Review our [Impact Statement](#), and click on the links below to choose your level of support:

[Beaujolais Tickets & Sponsorships](#)

Our 8th Annual Beaujolais Wine & Tapas event is at the beautiful Peace River Botanical and Sculpture Gardens on Friday, November 4, 2022 in Punta Gorda. This is our only fundraising event of the year which helps us with our mission to mobilize our community to break the cycle of poverty.

We are working diligently to serve all members and all ages of Charlotte County. By combining the power of gifts and resources, thousands of citizens are strengthened. If I can assist you, please let me know or contact the United Way of Charlotte County office and ask for Tricia LaPointe at 941-627-3539 or email her at development@unitedwayccfl.org.

Thank you for your consideration. We appreciate your support!

In Service,

Angie Matthiessen
Executive Director
